## 'WHAT'S LOOKING GOOD'

APRIL

The *Calluna vulgaris* varieties with spring foliage come into their very best at this time. The green foliage tipped with cream, pinks, peach or red creates a colourful display. The foliage of *Erica carnea* varieties is also vibrant & *Erica x darleyensis* varieties will still be flowering.

*Erica x darleyensis* & spring tips

*Calluna vulgaris* 'Hugh Nicholson'

*Calluna vulgaris* 'Flamingo'

*Erica carnea*

Please give me a call for more information or if you have any questions.
