'WHAT'S LOOKING GOOD' in the Nursery

MAY

Erica arborea (tree heather) are in full flower and look great. Loved by bees too.
Erica carnea & *Erica x darleyensis* still have good colour. The foliage of *Calluna* v. varieties create bright yellow, gold and red contrast to the shades of green before the summer *Erica* varieties and *Daboecia* start to bloom.

Erica arborea 'Alpina'

Erica carnea plus visitor

Please do not hesitate to give me a call for further information.
