Specialist Growers and Suppliers

## **'WHAT'S LOOKING GOOD' in the Nursery SEPTEMBER**

*Calluna vulgaris* are the main attraction for the autumn months. They provide good colour from both the foliage and the flowers in white, pinks & purples of all shades. *Erica cinerea* and *Daboecia* varieties are also still looking good and also add colour.

*Calluna vulgaris* 'C W Nix'

*Calluna vulgaris* 'Disco Queen' & 'Kinlochruel'

*Erica cinerea* & *Calluna vulgaris* create contrast.

*Calluna vulgaris* 'Cottswood Gold'

We can always put all-season selections together so do not hesitate to give me a call.

Regards

*Irene Lang*
